Any money Calalta makes goes to offsets costs

years – even though ice costs have gone up

1 skater family = 12 hrs of volunteer time

More than 1 skater = 16 hrs of volunteer time

**How do I get volunteer hours from selling these items?**

It's easy.....

For every \$100 of product you sell, you will be allotted 2 hours of volunteer time.

\$100 of Purdys etc = 2 hours of volunteer time

For every 2 books of WestJet raffle tickets you sell, you will get 2 hours of volunteer time.

**WestJet is being kicked off in the Spring!**
