City of Calgary Bylaw for Face Coverings

- This bylaw comes into effect August 1.
- You must wear a mask when going in and out of recreational facilities, but you will not be required to wear one when engaging in athletic or fitness activities;
- Please ensure your skater has a mask – they will be required to wear one between sessions during the flood if they remain in the building and entering and exiting the building;
- Enforcement is centered on public education, including how to wear masks and where to get them. Citizens are encouraged to report infractions to 311.
- Mask wearing is intended to be in addition to, not replacement of, physical distancing.

August Registration

August registration is now open on Uplifter and you have the option to register by the session (drop-in) or by the week. If the session is full please go on the wait list, we are working diligently to place all skaters. Please ensure you speak with your coach PRIOR to registering!

- No spectators are allowed, you may enter the arena with your skater (wearing masks of course) and get them on the ice but will not be able to sit in the stands at this time;
- Consider bringing a hand towel to sit on if you are skating more than one session, cleaning product may leave residue on the bench/chair where your skater may be seated;
- At Jimmie Condon we will be entering and exiting through the main doors, which is clearly marked.
 - Getting on the ice: When you enter JCA, put your belongings down in your assigned area/chair, turn right at the spectator doors and head straight to the ice surface.
 - Getting off the ice: You will exit the ice down by the dressing rooms and proceed to your area/chair. This will allow for a one-way flow of traffic for skaters.

Fall Registration

The Fall schedule will be out SOON and registration will be available on August 15th on Uplifter. Please talk to your coach PRIOR to registering to see what programs and sessions are right for your skater. Stay tuned for the email that explains all the details about Fall!
