Welcome back to Jimmie Condon

We are so happy to be back home at Jimmie Condon arena. The City has invested about \$10 million to expand the Jimmie Condon ice slab to NHL dimensions (we needed 15' more feet in length to bring Jimmie Condon up to NHL specs) so what we lost in parking we gained in ice! The City has also taken this time to renovate and modernize various systems for both JC and Rose Kohn which will be complete soon!

We are figuring out the best traffic flow for our skaters and for now will assign the dressing rooms:

- | | |
|--------------------------------|----------------------------------|
| • Skaters | Dressing room 1 and 2 |
| • Coaches & Program Assistants | Dressing room 3 |
| • Group Skaters | Dressing room 4 (near Rose Kohn) |

Please note that once hockey resumes, these assignments may change

Don't forget to bring indoor shoes for all off ice classes!

Just finalizing plans with the City to install:

Cross Ice Jump Harness

Off Ice Spin Harness

Calalta National Banners

Summer Registration

The schedule for Summer is coming along nicely! We are so pleased to offer summer programming at Jimmie Condon arena which will begin Monday July 4th to Friday August 19th. Schedules will be available soon on [Uplifter](#) and our [website](#).
