### **Volunteer Commitment for 2022-2023**

Calalta runs on volunteers! Whether that is sitting on the Board of Directors, being the rink chair at COP or JC, or helping run a competition, we require your help to continue to be a successful and thriving club.

**1 skater in the family = 12 volunteer hours or equivalent done before June 30, 2023**

**2 or more skaters in the family = 16 hours or equivalent done before June 30, 2023**

Volunteer hours can take many forms:

- Fundraising – sell \$100 worth of product and get 2 hours towards your account (and we do lots of fundraising – Apples in Sept/Oct, Purdys' for Christmas, Flowers for Mothers' Day, Fill the Freezer in May/June)
- Helping with a competition, annual carnival, Assessment Day or being a rink chair at one of our rinks
- Being a Board Member – right now we are looking for a board member to take on the role of the Health & Safety portfolio and Fundraising coordinator

All volunteer opportunities will be emailed to the membership as required.
