NEW Registration Policy for 2024/25 season

Calalta home club membership has its benefits! We have attached the Calalta Registration Policy that will be in effect for the 2024-25 season. Please take the time to read and understand this new policy. Some of the highlights are:

- Early registration for club programming, seminars and special events
- 20% discount for registering in multi-sessions (6 or more registration clicks in one week) if you register during the early bird period (July 15- August 31)
- Ability to move sessions within the same day (dependent on availability of course)

To be a Calalta member, you must pay both the Skate Canada fee of \$58.65 and the club fees of \$70.00 at time of registration. **If you transfer your Skate Canada membership fee to another club during the skating season (Sept 1 – August 31), your rights and privileges as a member will be revoked and your registration will be cancelled immediately.**

Special circumstances apply to our partnered programs like ice dance as well!

- Both partners must pay club fees but are not required to pay Skate Canada fees through Calalta
- Both partners must participate in the volunteer program
- Both partners may take advantage of early bird discounts for their partnered ice sessions

Please make sure you check it out **before** you register!

Volunteer Opportunities

Yes we still have a few opportunities left for those that still need some hours!

- Cleaning the studio upstairs at Jimmie Condon – involves sweeping, mopping the floor and stairs, wiping down surfaces etc. Cleaning can be done twice a week anytime there are no classes running. Sign up here:

Reminder – Start and finish your sessions on time

Please start and finish your sessions at the scheduled time. When your session ends, leave the ice so the next group of skaters can start their session and/or the Zamboni can clean the ice for the next session/user group. We continue to get complaints from both Jimmie Condon and COP staff that we are not leaving the ice at the proper time. Also just because the Zamboni has not arrived does not mean you can stay longer on the ice. Please respect the rules.
