COVID-19 Response from Skate Canada

In recent weeks, the global spread of COVID-19 has brought Skate Canada and other organizations into unchartered territory. As always, Skate Canada's focus is the health and safety of our members, registrants and staff. Due to the fluidity of COVID-19, Skate Canada has created a dedicated page as a primary resource for members:

https://skatecanada.ca/covid-19-response/

Text4Hope - Text COVID19HOPE to 393939 to subscribe.

The program provides one-way communication and does not replace other mental health therapies and supports. It is a helpful option for people in self-isolation who can't access face-to-face services, as well as those in remote locations.

Text messages are free, dependent on the user's cell phone plan. Some users may be charged per text message depending on their cell phone plan with their current provider. We encourage users to check with their provider. If they are unable to sign-up due to potential costs, we encourage them to visit <u>Help in Tough Times</u> where free resources are available, including variety of mental health related podcasts and videos for download.

March 27 Text: Try to do something manageable today that gives you a sense of accomplishment (eg shower, laundry, exercise)

March 28 Text: Set goals for today, even if they are small. Goals should be 'SMART' Specific, Measurable, Achievable, Realistic and Timely

Credits to your Account

We are currently managing the credits for our members. The first step in the process was to cancel all the April installment payments. We are uncertain exactly how long we will be closed because of COVID-19, so the exact amount of the credit will not be known until we have a return date. Please be patient – we are working very diligently to deal with every single account!

Fundraising

Flowers for Mother's Day and Spolumbos sausages!

Although we are not skating, we still feel it is important to continue with fundraising. Flowers for Mother's Day and Spolumbos sausages for the bbq. Join us in continuing to support our local businesses – all proceeds will go towards the purchase of a new cross ice jump harness at Jimmie Condon.

We are working with both vendors to ensure products and containers meet Alberta Health Services guidelines (eg. ensure the container for the flowers is sanitized).

Posters, order forms and all the details needed will be emailed to our members and will be available on our website at https://calalta.net/ soon

2020 Summer Programming

We have our summer program ready to go and will be sharing it with you in the next couple of weeks. Registration will be available on Uplifter once we know when Jimmie Condon will

open! Please note we will follow all directives by the Municipal, Provincial and Federal governments as well as Alberta Health Services to ensure the safety of our skaters, members and coaches.

Celebration of Skating Banquet

We regret to share with you we have had to cancel both the banquet and awards for the 2019-2020 season. Good news though - we have already secured the venue and date for the 2021 banquet!

Saturday June 5, 2021

Strathcona Christie Aspen Community Centre 277 Strathcona Drive SW Calgary AB

We will be preparing gold and diamond test awards for those skaters that received a full set of Gold/Diamond tests this season. Stay tuned as to when and where these will be ready for distribution. For those that have already sent in applications for the monetary awards, you will need to reapply next year.

Ice Show "Icon-A-Mania" Cancelled for 2020

We have cancelled the 2020 Ice Show for this season. However, the 2021 show will be our BIGGEST yet as our 10th anniversary production! We are pleased to announce the show Calalta-Com – superheros at its best! Jaime-Lyn has already started to plan for this amazing event which will be held in April 2021!

If you are interested in helping out on this exciting production, we are looking for an energetic volunteer!
