## What is the difference between a Skate Canada Skating Club and a School or Academy?

One question we keep getting quite frequently is regarding the differences between a skating club like Calalta and a skating school or academy

	<b>Skating Club</b>	<b>Skating School or Academy</b>
<b>Sanctioned</b>	Sanctioned by Skate Canada	Same
<b>Members</b>	Must pay a membership fee to Skate Canada	Same
<b>Insurance</b>	If sanctioned by Skate Canada, then member will be covered by insurance	Same
<b>Status</b>	Incorporated by the Societies Act of Alberta	Typically a LLC or sole proprietorship
<b>Profit</b>	Not for profit – do not have to pay income tax on an organizational level and can apply for various government grants, and apply for raffles and casinos with AGLC to help cover costs	For profit
<b>Governance</b>	Governed by by-laws and an elected Board of Directors. An Annual General Meeting must be held annually and members vote on the budget, pricing structure, auditor, list of coaches and schedule. Monthly board meetings must be held and minutes documented.	Managed by the owners of the business
<b>Decision Making</b>	Expenditures not already approved in the current budget must be taken to the board for approval. All other material decisions are taken to the board for discussion and approval. Day to day operating activities are managed by the Administrator, Director of Skating and Director of Group Programming.	Managed by the owners of the business
<b>Coaches</b>	All coaches must be 'in good standing' with Skate Canada to be allowed on the ice.	Same
<b>Policies</b>	Must abide by and follow all Skate Canada policies.	Same
