STAR 1-3 & Spring Fling at Calalta

The Spring Fling competition (Star 4 and Up) and Star 1-3 fun competition will be Sunday June 18th at Jimmie Condon.

Event runs from 11:30-4:30 pm. We will start with Star 1-3 and then transition to Spring Fling. Schedule will be shared soon!

Volunteer Opportunities

We can't run a club this size without volunteers! **Please note that we are nearing the end of the skating season (June 30) and you must have fulfilled your volunteer commitment BEFORE that date or you're paying the \$600 volunteer fee! There are several families who still need to fulfill their volunteer commitment – we would rather have your time than your money!**

Music Playing Protocol

Skaters' music will be played on a "first come, first serve" basis. To ensure that your music will be played, please put your phone in line near the beginning of the session. There will no "holding spots."

Coaches have the right to "bump" into the line as many times during the lesson as appropriate. Obvious misuse of this rule will be addressed ie. Overuse and back-to-back programs will not be allowed when there is a line-up of phones.

Skaters will have the opportunity to have ONE phone in line at a time. They will not be allowed to have both a short and a long in line at the same time. Once their music is done, it can be placed at the end of the line if they so choose.

Skaters attending upcoming competitions will have priority WITHIN REASON. For example, there are several skaters attending Sectionals and each are of equal importance. Once Sectionals is finished, the skaters qualifying for Western Challenge will have priority with Canadian qualifiers and World Team members having priority in December and January. This will be closely watched by the Director of Skating and if skaters are abusing this privilege then it will be removed.

Any questions or concerns please see Tyler
