Happy Birthday Calalta Figure Skating Club

We are thrilled to share that Calalta is 65 years old this year! This incredible milestone reflects decades of passion, hard work, and commitment from our skaters, coaches, parents and volunteers. Thank you to everyone who has been part of our journey – this achievement belongs to all of us. We'll be having cake to celebrate at our Stampede BBQ in July!

Leafing through the archives we found a few tidbits:

- In the early 1950's, Calalta started off as a 'community project' with the Calgary Recreation Department, the Calgary Booster Club and several other communities within the City.
- During the later 1950's, progress was all uphill and it took a group of hard-core and interested mothers to keep the club operating. Although hundreds of children received instruction and learned to skate, the challenge of playing music, shovelling snow off the ice in outdoor community rinks and lack of trained coaches prevented kids from advancing past the preliminary level.
- In 1959, Calalta was granted junior membership into the Canadian Figure Skating Association (now known as Skate Canada) which allowed skaters to take tests under the Calalta name. Our first tests were held in February 1960.
- Test fees in 1967 were \$1.00 for the preliminary figures. Gold Dances or Gold Free skates cost \$2.50. In 1979, the basic fee for the year was \$20 – and in 2025 it is \$70
- In 1979, pick up ice was \$0.75 – that's 75 cents!
- Ice rentals were \$10 per hour!

Summer Fun at Calalta
